

ACTION CLUB

Are you satisfied that there is enough being done on a National level to help the still suffering alcoholic?

Your National Office needs YOUR help in reaching out to the public with information about AA. We do this through radio and TV community announcements, as well as posters for industry, railway stations, shopping centres, doctors' surgeries, and other initiatives.

CAN YOU HELP

All we ask is that you commit yourself to sending us \$10.00 a month. If you can help, just fill in the form below. As an Action Club member you will receive a free copy of AA Around Australia quarterly.

.....
I wish to become a member of the Action Club.
